MC'S MOST WANTED

Between Postmates and Seamless, we expect to get what we want ASAP. La Prairie's serum reduces fine lines in two weeks, about half the time it takes to see results with some other wrinkle fighters. The secret: Antiagers are encapsulated and attached to a peptide that "drives" them to collagen-supporting cells, so they don't just sit around in the top layer of skin doing nothing. How's that for on-demand?

LA PRAIRIE Anti-Aging Rapid Response Booster, \$290.

PAINT BOX

Nail your own version of spring's on-trend ombre manicure with Formula X's new kit that contains five polishes and how-tos.

FORMULA X Infinite Ombre Nail Design Set, \$90. For information on where to buy, see Shopping Directory.

HAVING A MOMENT APRES-SUN SAVIORS

Just in case a few rays slip by your defenses this summer, there are new forms of salvation. Jurlique's body lotion soothes inflammation and reduces redness with natural extracts like calendula. For your complexion, Biologique Recherche's post-sun lotion minimizes UVA damage with the dipeptide carnosine. And Phyto has a new after-sun mist that rehydrates skin (and hair!) with plant oils.

1. JURLIQUE After Sun Replenishing Moisturising Lotion, \$36.
2. BIOLOGIQUE RECHERCHE Reparation U.V., \$119.
3. PHYTO PhytoPlage Huile Sublimante, \$40.

BEAUTY PASSPORT AGGIE BURNETT

Who: Cofounder (with her chemist husband) of the Nomaterra fragrance company.

Mother's secret: "I grew up in Poland, and my mom used to make a hair mask—with an egg yolk, a teaspoon of olive oil, and a little fresh-squeezed lemon juice—that made our thin, blonde hair come alive. Just leave it on for an hour, then shampoo."

Flight plan: "Before takeoff, I apply Fresh Seaberry Moisturizing Face Oil. Upon arrival, Benefit Benetint gives me a flush so I don't look like I was stuck in stale plane air for hours."

Always packing: "I often go straight from the plane to meetings, so I carry our TSA-friendly perfume wipes in my cosmetics bag to freshen up."

Must-do: "One of my most memorable health and beauty experiences was the time I hiked with a shaman in the Amazonian jungle. I learned to use local healing plants, like achiote seeds [left]."

NOMATERRA On-The-Go Eau Fraiche Fragrance Wipes, pack of 12, \$20.
